Raising a Mensch?

Start Here!

Tranquillity Camp is not just about canoeing or arts and crafts—although we've got those, too—it's about developing character that lasts a lifetime. Our Jewish-led values guide our campers as they learn to respect themselves, each other, and the world around them.

A "mensch" is someone who can be counted on, who lifts up others, and who understands the importance of kindness and honesty.

At Tranquillity, campers develop these qualities naturally as they take on new challenges, form lasting friendships, and grow into compassionate leaders.

This is where being a mensch begins.

Summer Sleepaway Camp | Ages 7–15

> *"The camp is truly a home to quality and values. A 100-year history of caring, unlike any other camp in the country. Your child will have a unique experience full of joy, challenge, and growth."*

Every Camper is known, welcomed, and valued.

What makes Tranquillity Camp different? Our 1,200-acre property in the picturesque Catskill Mountains offers a safe and exciting environment for campers to discover their passions. It's not just about fun—*although there is plenty of it*—it's about creating a sense of belonging, community, and personal growth.

Here's what sets us apart:

- **Generational Leadership & Tradition:** Rooted in a family legacy for over 106 years, Tranquillity Camp has passed down timeless values that resonate across generations.
- **Every Camper Is Known & Valued:** Your child will never be just a number here; every camper is respected and appreciated for who they are.
- **Jewish-Led Values That Welcome All:** While grounded in Jewish principles, we celebrate diversity and inclusivity. Our campers learn the importance of community, kindness, and integrity through experiences like Shabbat services led by the campers themselves.
- **Intentional Simplicity:** A digital-free environment where kids focus on personal connections, nature, and growth. Campers leave feeling empowered and proud of who they've become.

We encourage games... with friends not devices.

At Tranquillity, we embrace **intentional simplicity**. In an increasingly digital world, we believe in the power of disconnecting from screens to reconnect with one another. **Campers experience a digital-free environment where they can focus on face-to-face interactions, creativity, and self-reflection.** This gives them the space to grow into responsible, compassionate young people—mensch-like individuals who appreciate the deeper connections that make life meaningful.

We're family.

Basketball, swimming, golf … Here, everyone makes the team.

At Tranquillity, we offer more than just endless activities—we offer opportunities for campers to develop leadership, confidence, and a strong sense of self. Whether it's leading a cabin, taking on a new challenge, or working together in a group activity, campers gain the skills that will help them become positive, responsible leaders.

We tailor activities for all ages, so each camper has an experience that helps them grow. Plus, **we bring all campers together for camp-wide activities which creates a sense of unity across different age groups and cabins.** From outdoor adventures to creative arts, campers build new skills, form lasting friendships, and gain confidence as they take on leadership roles.

With more than 65 activities to explore, there's never a dull moment.

Here's just a glimpse of what's in store:

Adventure

From nature hikes to camp fires to boating on our private lake, every day brings something new.

Arts & Drama

Whether on stage or behind the scenes, campers showcase their talents in full-length plays and performances.

Sports & Leadership

Campers build confidence through individual sports, team athletics, ropes courses, and leadership opportunities.

"After attending Tranquillity Camp from the age of 8, I can confidently say that this is my favorite place on Earth. My best friends to this day and my fiancé are from here. What could be better?"
